

- Entering and showing results as done in a text book
- 96x32 dot matrix LCD
- 556 Functions in total
- 4 user defined keys D1-D4 for direct access of often used functions (short cut keys)
- Math Drill Function (+, -, x, mixed, max. 100 quest.)
- Multiline Playback (jump to top or end of equation)
- Independent cursor keys
- Catalogue for seldom used functions

With its 96x32 dot matrix LCD you can view it, as you wrote it down (WriteView), i.e. while editing and when results are shown. With impressive 556 functions, the EL-W506XB covers all kind of school and university tasks!
